

Directions: You own a specialty pizza parlor. Your customers order strange toppings on their pizzas. Below are pizzas cut into eighths. Read the customer order and then make the pizza accordingly.

	<p>Customer 1:</p> <p>I'll have a medium pizza, half pepperoni, one-fourth mushroom, and one-fourth pineapple.</p>
	<p>Customer 2:</p> <p>I'll have a medium pizza, three-fourths bacon, one-eighth pepperoni, and one-eighth green peppers.</p>
	<p>Customer 3:</p> <p>I'll have a medium pizza three-eighths red peppers, three-eighths onions, and one-fourth carrots.</p>
	<p>Customer 4:</p> <p>I'll have a medium pizza one-half chocolate chips, one-fourth waffles, one-eighth mushrooms, and one-eighth, broccoli</p>
	<p>Customer 5:</p> <p>I'll have a medium pizza seven-eighths jellybeans and one-eighth pepperoni.</p>
