

Baseball Scoreboard Math
Name _____

Team	Inning								
	1	2	3	4	5	6	7	8	9
Yankees (Away)	0	0	1	1	3	6	0	1	1
Red Sox (Home)	3	2	0	1	0	2	0	0	4

- The Red Sox are the home team and thus bat in the “bottom” of the inning. The Yankees are the away team and thus bat in the “top of the inning.”

- When did the Yankees score their first run?
- If the game ended after the 6th inning, what would be the score?

Yankees _____
 Red Sox _____

- What was the score after the fourth inning?

Yankees _____
 Red Sox _____

- How many total runs were scored in the 6th inning? _____

- In what innings were two total runs scored?

- In what inning were the second most runs scored in the game?

- What was the final score?

Yankees _____
 Red Sox _____
