

The Battle of Chancellorsville

Name			
Hallic			

The Battle of Chancellorsville is often called "Lee's Greatest Victory." Lee's demolition of Union forces at Chancellorsville was so complete, that he could only explain it as "God's will." Following the epic victory, Lee believed his army to be invincible, and endeavored to take the fight to Northern soil for a second time, precipitating the Battle of Gettysburg.

What was your greatest victory? Your greatest victory can be a victory in sports, or, an incredible musical or dance performance. You can even choose your greatest moment in video games. Whatever you choose, make sure you explain why you chose it, and explain in detail.
