

Silent Letters for Grades 4-6

Name _____

Directions: A silent letter is a letter in a word that is not heard. For example, in the chart below the word “climb” ends with a “b.” The “b,” however, is “silent” because its sound is not heard. Below is a chart with four common silent letters. Can you fill in the spaces with words that contain each silent letter? Then, think of other words that start with silent letters not listed in the chart.

B	G	K	T	W
climb	design	knife	listen	wrong
