

Revolutionary Timeline Decoding

Decode the famous quote below using your knowledge of when events related to the Revolutionary War happened. For example, you would put a "T" in the first space because the Siege at Yorktown happened between December 1780 and 1783. All events that happen within this time frame should be labeled with the letter "T". You can use <http://www.mrnussbaum.com/history/revolution.htm> to find many of the answers.

Before 1765 = A
 1766 – 1774 = E
 April 1775 = H
 May – December 1775 = I
 January 1776 = L
 July 1776 = M
 August 1776 = N
 December 1776 = O
 October 1777 = R
 November 1777 – November 1780 = S
 December 1780 – 1783 = T
