

## Utah Reading Comprehension for Grades 1-3

Utah is a state in the western part of America. It is part of the “four corners” of America, which also includes Colorado, Arizona, and New Mexico. Here, you can step in all four states at once! Utah touches the states of Nevada and Idaho as well. One of Utah’s most famous places is called the Great Salt Lake. The Great Salt Lake is much saltier than the ocean. Utah’s capital city, Salt Lake City, is located on the shores of the lake. Salt Lake City is the largest city in Utah and even has its own professional basketball team, the Utah Jazz. Utah is also well known for its great ski resorts and its five beautiful national parks.
