

Yellowstone National Park – Student Interpretation

Imagine you are at Yellowstone National Park! Read the description below and draw to the best of your ability.

The Sun is shining brightly on a cold day through the puffy white clouds. Rugged hills full of towering evergreens fade from dark green to black. Steam rises from the bubbling, blue pools ringed by green and yellow algae. The flicker of a rainbow appears as the steam rises and drifts. A silhouette of a bull moose emerges in the distance .
